An aerial photograph of Swanage Bay in Dorset, England. The bay is a deep blue, semi-circular inlet. To the left, a town with numerous buildings is built on a hillside overlooking the water. In the foreground, a large, white, multi-story building is situated on a grassy slope. The coastline is rugged with cliffs and a sandy beach. In the distance, a large, white, rocky island (Corfe Island) is visible in the middle of the bay. The sky is a clear, pale blue.
